MAY 2021 - TERM 2

What's been happening?

As we move into Term 2 we wanted to touch base with all of our beautiful families and give you an update into what's been going on in the studio!

All of our amazing dancers are settling brilliantly into class and have begun working on their dances for the Mid-Year Concert.

We are so proud of all of our new students and how well they are going after such a short time!

We would like to thank you, for all of your support so far this year. After the 2 Victorian lockdowns, our dance school that we had worked so hard to build over the last 8 years was affected as we ended the year with only 3 days of classes a week. Thanks to your support we are up to over 100 classes running 6 days a week! We are so grateful to have all of our beautiful students back here with us, and can't wait to see what the remainder of Term 2 brings us!

Movement Milestones

At the end of Term 1 we had a 'Movement Milestone week for our Ready Set Dance students. Movement milestones are a great opportunity for students to work towards and achieve a movement goal in line with their current skill development, giving them a important sense of accomplishment! Each child is given a card based on their own individual skill sets. We will be having a movement milestone week every Term as the students progress through their skill development in class!

Easter Week!

On the last week of Term 1 we celebrated Easter at dancing. The students were able to showcase their 'Ready Set Easter' and 'Ballet Bunnies' dance's that they had been learning over the term, to parents in class. The week was an absolute cuteness overload with all of their gorgeous smiles beaming from ear to ear as they were able to proudly show off how far they had come in just a single term!

Mothers day week

During Week 3, we celebrated Mother's Day with all of our beautiful dancers. The students absolutely loved letting Mum's/their special person into the room to watch their special Mother's day dance and get up and have a boogie with them!

"I loved getting to dance with my Mum last week it was so much fun!"

Rehearsals for Mid Year Performance

The Mid-Year Concert is coming up quickly and the students are getting very excited! They have been working very hard learning their dances to showcase what they have been learning in class to friends and family. The Mid-Year concert is a great chance for the kids to experience being on stage in preparation for our big End of Year Concert at Bunjil place. Tickets go on sale on Sunday 16th May (Mid-Year) via Trybooking.com. You can also find the link to book on our website. Make sure you log on to book before they're all sold out!

A MESSAGE FROM OUR DIRECTOR

Reflecting on this past term and how different it looks to last year, I cannot help but be proud of our students! This time last year we were Zooming our classes with under half of the students enrolled in Term 1 of that year. It was a very hard time for all and now with the hallway buzzing, studios blaring with music and happy sounds it honestly reminds me how valuable connection, friendship and physical activity is for children. Thank you for all of your support and kindness these past 12 months. The journey back has been a challenging one but it is absolutely worth it as we create magic and movement 6 days per week in our studio again! I cannot wait for you to see your children up on stage at our mid year performances and especially at our end of year show "Reflections & the Wonka Factory" on December 5th.
